Canada requires a special consent form to order MVRs from Canadian provinces. There are three (3) authorization forms that can be used in Canada; a General Canadian release, a British Columbia release, and a Quebec release. The General release can be used for all provinces except British Columbia and Quebec. These forms and the instructions for completing them are available on our web site at <http://www.MVRS.com/Compliance.htm#Canadian>. Completed releases should be faxed to **800.800.0817**.
